Trustees' Report
For the Year Ended 31 August 2025

The trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year 1 September 2024 to 31 August 2025. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The academy trust operates 5 primary academies in Cheshire East. Its academies have a combined capacity of 1,260 and had a roll of 1,396 in the school census October 2024.

Structure, governance and management

a. Constitution

The academy trust is a charitable company limited by guarantee and an exempt charity.

The charitable company's Trust deed is the primary governing document of the academy trust.

The Trustees of Chancery Multi Academy Trust are also the directors of the charitable company for the purposes of company law.

The charitable company operates as Chancery Multi Academy Trust.

Details of the Trustees who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Trustees' indemnities

The trustees benefit from indemnity insurance to cover the liability of the trustees which by virtue of any rule of law would otherwise attach to them in respect of negligence, default or breach of duty of which they may be found guilty in relation to the Academy Trust. The academies within the Academy Trust have opted in to the academies risk protection arrangement (RPA) in the year which provide the trustees to a maximum aggregated value of £10 million during any one year of membership.

d. Method of recruitment and appointment or election of Trustees

The management of the academy trust is the responsibility of the trustees who are elected and coopted under the terms of the Trust deed.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Trustees' Report
For the Year Ended 31 August 2025

The recruitment and succession planning of trustees must match the Trust's vision. The skills profile of the trustees must reflect the governance needs of the Trust. The Board carries out a skills audit of trustees annually to inform the recruitment process, using the categories below to inform the decision making.

The following skills categories set out the broad range of skills, knowledge or prior experience that is expected to be held across the board:

1. Education performance and curriculum
2. Finance, risk and audit
3. Human Resources
4. Legal
5. Business including premises management

The trustees consider prospective trustees based on their skills and experience. Prospective trustees are interviewed by the governance professional and an experienced trustee. The board of members authorise the appointment. The trust undertakes safer recruitment checks before the appointment is confirmed.

e. Policies adopted for the induction and training of Trustees

The training provided to new trustees will depend on their experience. Upon their appointment, all new trustees are given an induction and also provided with training on charity, educational, legal and financial matters. This induction will set out the vision and ethos of the trust together with the strategy and objectives. All new trustees are invited to visit at least one of the academy schools within the Trust with a chance to meet staff and students. All new trustees will be provided with a copy of current trust policies, procedures, minutes, budgets, plans and other documents that they will need to undertake their role as trustees and directors of the Trust. On-going skills reviews and training is encouraged for all trustees to ensure that they continue to make an effective contribution and are keeping up to date with academy and charity legislation.

f. Organisational structure

The structure of the organisation has different levels; the Members board, the Trust board, the trust's senior leadership team and the academy schools' local governing boards and leadership teams. The aim of the management structure is to devolve responsibility and encourage involvement in decision-making at all levels. The Chief Executive Officer is the accounting officer.

The Trust is the Admissions Authority and employer for all the Academies within the Trust.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Trustees' Report
For the Year Ended 31 August 2025

The Trust board is responsible for exercising oversight of the governance and management of the trust. In exercising their responsibilities, trustees consider the advice of the Chief Executive Officer, the Headteacher Committee, the Local Governing Boards and the Central Leadership Team, as appropriate. The Trust has a Finance and Audit Committee to support its role, which meets once a term.

The trustees are responsible for setting general policies, adopting an annual plan and budget, monitoring the trust by the use of results and budgets. They make major decisions about the direction of the trust, capital investments and senior staff appointments.

The leadership teams are responsible for the day-to-day operation of the individual academies.

The scheme of delegation gives full details of all delegated responsibilities.

g. Arrangements for setting pay and remuneration of key management personnel

Key personnel are considered to be members of the Trust board and the Trust leadership team. Trustees who are not employees do not receive remuneration for their role as a member or trustee.

The pay and remuneration of the Chief Executive Officer, the Chief Finance Officer, Central Leadership Team members and Executive Headteachers is set by the Trust Board. This takes account of the agreed job description, performance management and benchmarking exercise based on similar sized trusts in the local area. The salary ranges of staff within the trust academies are set by the local governing boards, in accordance with the trust's pay policies.

i. Related parties and other connected charities and organisations

There are no connected organisations or related party relationships other than those noted in note 27 to the financial statements.

Objectives and activities

a. Objects and aims

Our objects are specifically restricted to the following as set out in the articles of association: To advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing schools offering a broad and balanced curriculum ("the mainstream Academies") or educational institutions which are principally concerned with providing full time or part time education for children of compulsory school age who, by reason of illness, exclusion from school or otherwise, may not for any period receive suitable education unless alternative provision is made for them ("the alternative provision Academy") or 16 to 19 Academies offering a curriculum appropriate to the needs of its students ("the 16 to 19 Academies") or schools specially organised to make special educational provision for pupils with Special Educational Needs (" the Special Academies").

b. Objectives, strategies and activities

The Trust's Strategic plan for 2024-25 had three priorities which were aligned to the MAT Assurance Framework:

1. To improve leadership capacity across Chancery which raises standards in all schools.

- All schools being good or outstanding by the end of the year.
- Trust data is at least in line with national figures and hitting FFT 50 targets (FFT20 for schools categorised as Good or better) in all areas.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Trustees' Report
For the Year Ended 31 August 2025

- Ofsted reports and external/internal reports evidence that senior leadership is Good or better in all schools.
- Leadership coaching and mentoring strengthens leadership and school outcomes.
- Chancery champions are developed to lead collaborative initiatives and are deployed when needed to support school improvement across the MAT.
- Feedback from leaders demonstrates the impact of CPD and progress made towards recommendations made by external report.
- Chancery Governance continues to strengthen.

2. To raise standards across all schools with a particular focus on:

RADY (Raising Attainment in Disadvantaged Youngsters)
More Able (GDS) in core subjects
Equity in teaching
SEND (Special Educational Needs and Disability)
Computing Framework

- CEO reports and feedback from School Improvement Leads/Headteachers.
- Standards in GDS improve in all schools.
- All schools can evidence the progress made against RADY and equity in teaching.
- Impact of SEND CPD is evidenced in joint monitoring completed across the schools.
- Standards of teaching in all schools improve against targeted areas.
- Quality of Computing improves in all Chancery schools.

3. To continue to plan for the next phase of growth for the Trust.

- Networks continue to strengthen and supports the development of positive working relationships.
- Existing infrastructure continues to support Chancery schools, but also provides strong foundations for joining schools. For example:
    - The trust is supported by a proactive ICT provider, to utilise technology to improve the business and educational function across all schools
    - The Management Information System is updated and facilitates reporting across all layers of the trust.
- Capacity within the Central Finance function is increased. This will lead to greater efficiencies being made and the infrastructure being strengthened.
- Opportunities for school staff to be seconded to the central team or other schools.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Trustees' Report
For the Year Ended 31 August 2025

c. Public benefit

In setting the objectives, the trustees confirm that they have complied with the duty in Section 17(5) of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit in exercising their powers or duties. We have referred to this guidance when setting our aims, strategy and in planning future activities. All activities of the Trust are for the public benefit.

The main public benefit delivered by the Trust is the provision of high-quality education to its pupils, which will be evidenced by feedback from external assessment.

Strategic report

Achievements and performance

a. Key performance indicators

Financial KPIs

- Staffing cost as a % of total costs – 77.3%
- Reserves as a % of GAG funding – 4.14%
- Revenue reserves per pupil - £165.40

Pupil numbers and attendance

School	NOR (July 25)	Attendance (24-25)
Elworth Hall School	194	95.9%
Excalibur Primary School	250	96.6%
The Berkeley Academy	477	96.0%

Key Results 2024-25

Key headline results for the year for the trust can be found in the table below:

Key Results - 2024-2025

Assessment	Statistic	Cohort	Trust Result	National Comparison	National Result
KS2 Reading, Writing & Maths combined	% of pupils achieving the expected standard	182	72%	Above (significant)	62%
KS2 Reading, Writing & Maths combined	% of pupils achieving the higher standard	182	4%	Below (significant)	8%
Multiplication Tables Check (MTC)	% of pupils scoring full marks (25/25)	182	41%	At or above	~ 38%
Phonics Screening Check	% of pupils passing in Year 1	169	86%	At or above	~ 80%
Early Years Foundation Stage	% of pupils achieving a Good Level of Development	165	73%	At or above	~ 69%

Legend
- Above national (statistically significant)
- At or above national
- Below national
- Below national (statistically significant)
- Missing data
- ~ Estimated national

b. Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial review

The main streams of funding during the year were grants received from the Education and Skills Funding Agency (ESFA) - now Department for Education (DfE) - and the Local Authority (LA).

All grants received from the ESFA/DfE and LA during the period and the associated expenditure are shown as restricted general funds in the Statement of Financial Activities.

During the year ended 31 August 2025, the Trust has restricted general funds income of £8,346,827 (excluding LGPS pension liability and GAG fund transferred from the existing Academy) and associated expenditure of £8,310,712 (excluding LGPS pension costs).

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Trustees' Report
For the Year Ended 31 August 2025

The Trust has unrestricted income that relates to trading activities that totals £687,899 (excluding unrestricted income transferred from the existing Academy) for the period and related expenditure of £389,557.

At 31 August 2025 the net book value of fixed assets was £12,700,705 and the movements in tangible fixed assets are shown in note 12 to the financial statements. The assets were used exclusively for providing education and the associated support services to the students of the Trust.

The Local Government Pension Scheme (LGPS) liability at 31 August 2025 totalled £nil.

At 31 August 2025 the funds of the Trust were as follows: £238,175 included in general restricted funds, £12,410,292 included in restricted fixed assets funds, balance of £nil included in restricted pension reserve and £894,127 included in unrestricted funds.

a. Reserves policy

The trustees review the level of reserves annually. The review encompasses the nature of current and forecast income and expenditure streams and the level of reserves. The trustees will also take account of the future plans of its academies, the uncertainty over future income streams and other key risks identified during the review.

The trustees have agreed that the appropriate level of reserves is 5-10% of the school's GAG Income. This level will provide sufficient liquid funds to cover committed expenditure, including employee costs, for one month.

The total value of the funds in the Trust at the 31 August 2025 amounted to £13,542,594 (2024: £13,575,087).

At 31 August 2025 the restricted fixed asset fund amounted to £12,410,292 (2024: £12,701,123) which included the net book value of fixed assets of £12,700,705 (2024: £12,995,712).

The Local Government Pension Scheme (LGPS) reserve at 31 August 2025 totalled a balance of £nil after an asset ceiling restriction of £1,246,000 (2024: deficit of £16,000).

General restricted funds amounted to £238,175 at 31 August 2025 (2024: £294,179) which related to unspent ESFA/DfE grants and government grants.

At 31 August 2025 unrestricted funds carried forward amounted to £894,127 (2024: £595,785).

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Trustees' Report
For the Year Ended 31 August 2025

b. Investment policy

The Trust adopts a low risk policy with regard to investments.

Cash balances are held within current accounts and deposit accounts, the Chief Finance Officer and School Business Managers in the academies maintain up to date reconciliations of all accounts. The Board of Trustees monitor the Trust account balances on a regular basis. The Trust does not hold any investments at the current time.

c. Principal risks and uncertainties

The Companies Act 2006 Section 417(3b) requires disclosure of the principal risks and uncertainties facing a company. The Trust is exposed to a number of financial risks including credit, cashflow and liquidity risks. Given the Trusts' exposure to financial instruments is limited the exposure principally relates to bank balances, cash, trade creditors and their limited trade debtors. The Trust's system of internal control ensures risk is minimal in these areas.

The trustees have identified the following key uncertainties facing the Trust:

- The extent and impact on individual school budgets relating to staff expenditure through increases in teachers and support staff pay awards, pension costs and National Insurance costs. The known increases were built into the three-year budget and latest forecasts immediately by the Chief Finance Officer to ensure reports to trustees and governors are accurate for decision making.
- The extent and impact of the Trust not having sufficient staff capacity as it grows which will lead to an ineffectual organisational structure. The trustees have agreed a growth strategy and reviewed the central staffing structure.
- The risk that poor management of the Trust's estates leads to a critical incident and/or a claim or claims against the Trust. This risk is mitigated by the Health and Safety compliance checks carried out by each school and monitored by the central team with external audits. The Trust has appointed a Trustee with premises management experience, and an estates strategy is in place.
- The extent and impact of an uncontrollable event impacting on the trust which will lead to the trust not delivering its core activities. The schools have individual critical incident policies which are reviewed by the local governing boards on an annual basis. The trust and its schools are covered by the RPA scheme to cover losses, and this cover is reviewed by the trust on an annual basis.
- The extent and impact of a cyber breach which would lead to financial and data loss within the trust. Since 2022, the RPA scheme covers cyber related cover. The Trust has ensured that school staff and trustees have completed annual cyber security training, schools have individual cyber response plans in place, back-ups of all school data is cloud-based, and schools have registered with Police Cyberalarm.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Trustees' Report
For the Year Ended 31 August 2025

The trust has a risk management policy and risk listing that the trustees regularly review. Through the risk management process the trustees are satisfied that the major risks have been identified and will be adequately mitigated against where appropriate. It is recognised that systems and procedures can only provide reasonable not absolute assurance that major risks have been adequately managed.

The trustees undertake a budget planning, setting and review process, over a five-year period, on a conservative basis, so that reductions in funding and increased costs can be anticipated and managed.

Fundraising

The Trust does not use external fundraisers, and all fundraising is carried out by parent teacher associations. The Trust ensures that all fundraising activities are done so in a transparent and up-front manner and that 'proof of donations' are displayed for staff, visitors and pupils to see following fundraising activities. The use of funds obtained through fundraising activities is monitored by the Trust.

Plans for future periods

The Trust will continue to strive to provide outstanding education and improve the levels of performance of its pupils at all levels. The Trust will continue to aim to attract high quality teachers and support staff in order to deliver its objectives.

The Trust's Action plan for 2025-26 has three priorities around quality of education, business function and governance. These are:

- To further develop and implement an inclusive and aspirational curriculum across all Chancery schools that fosters a collaborative culture of ambition for all learners.
- To enhance Chancery systems and operational processes across the MAT to improve efficiency and long-term sustainability
- To develop and implement a MAT-wide IT Strategy that aligns with DfE digital Standards, enhances cyber security resilience , and leverages AI tools to reduce staff workload and improve well-being across all schools.

Funds held as custodian on behalf of others

The Trust and its trustees did not act as a custodian trustee during the current period.

Trustees' Report
For the Year Ended 31 August 2025

Auditor

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditors, Murray Smith LLP, will be proposed for re-appointment at the forthcoming Annual General Meeting.

The Trustee's Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 10 December 2025 and signed on the board's behalf by:

Signed by:
A Kowalska

Governance Statement
For the Year Ended 31 August 2025

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Chancery Multi Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Guide.

The board of trustees has delegated the day to day responsibility to the Chief Executive Officer, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Chancery Multi Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 6 times during the year.

Attendance during the 2024-25 year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
R Caulfield	4	6
Chris Bell	5	6

Governance Statement

For the Year Ended 31 August 2025

The Trustees have evaluated the composition of the trust board to ensure they are represented with members who are appropriately qualified to fulfil their role and contribute to the development of the Trust. The trustees have been provided with initial induction training as trustees and a comprehensive future training programme through the National Governance Association is in place.

The board has reviewed the Schedule of Requirements in the Academy Trust Handbook 2024. These requirements have been included in the Trust's Financial Procedures and other policies to ensure that the Trust complies with the requirements.

In the autumn term the Trust reviewed its committee structure and reduced the number of committees to two, with agreed terms of reference, reporting to the Board of Trustees:

- Finance and Audit committee
- Pay and Appraisal committee

The new Finance and Audit committee is made up of at least three trustees. The committee will meet at least once a term and presents a report of their key findings and actions to the Board of Trustees.

Its purpose of the committee is to:

- Assist the board to fulfil its responsibilities as set out in this Terms of Reference in line with the Academy Trust Handbook, the Trust's Financial Regulations and in compliance with the Funding Agreement with the Secretary of State for Education.
- Advise the board on financial priorities and proposals, in consultation with the Accounting Officer & CFO, with the stated and agreed aims and objectives of the trust.
- In consultation with the Accounting Officer, CFO, Local Governing Boards and Headteachers, to advise the board on the first formal budget plan of the financial year on broad budget headings. This should include the level and use of any contingency fund or balances, ensuring the compatibility of all such proposals with the development priorities set out in the trust's development plan.
- Advise the Board on the 3 year strategic financial plan.
- To monitor and review income and expenditure on a regular basis and ensure compliance with the overall financial plan for the academies and the trust, and with the financial regulations of the ESFA/DfE, drawing any matters of concern to the attention of the Board.
- To consider budget position statements at both academy and trust level including virement decisions at least termly and to report significant anomalies from the anticipated position to the Board of Directors.
- To receive reports from the audit committee and action where necessary.
- To review the financial elements of the Risk Management Policy and Risk Listing including Health and Safety, buildings and insurance to ensure that the financial risk is included in the academy or trust accounts where necessary and make recommendations to the Board of Directors.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Governance Statement

For the Year Ended 31 August 2025

- To review any strategic matters with financial implications concerning sponsorship of Academies and make recommendations to the Board of Directors.
- To be responsible, in conjunction with the Board of Directors, for approving dismissal payments/early retirement
- To receive potential bids from academies and the trust for external funding and recommend to the Board for approval.
- To review benchmarking data on an annual basis to secure best value for money.
- To monitor and review procedures for ensuring the effective implementation and operation of financial procedures, on a regular basis, including the implementation of bank account arrangements and, where appropriate to make recommendations for improvement.
- To review the suite of finance related policies to include the Finance Procedures & Scheme of Delegation.
- Advise the Board on matters relating to the Trust's audit arrangements and systems of internal control.
- Advise the Board and Accounting Officer on the adequacy and effectiveness of the Trust's governance, risk management, internal control and value for money systems and frameworks.
- Advise the Board on the appointment, re appointment, dismissal and remuneration of the external auditor and the internal control reviewers.
- Advise the Board on an appropriate programme of internal audit work to be delivered by independent assurance providers and progress of this work.
- Receive reports from the external auditor, internal control checks and other bodies and consider any issues raised, the associated management response and action plans.
- Establish and monitor KPIs with regard to the performance of the external auditor, internal control reviewers or other assurance provider.
- Review the Trust's fraud response plan and ensure that all allegations of fraud or irregularity are managed and investigated appropriately.
- Ensure appropriate cooperation and coordination of the work of the external auditor and internal control reviewers.
- Meet with the external auditor and internal control reviewers or other assurance provider, without management present, at least annually.

Attendance during the 2024-25 year at meetings was as follows:

Governance Statement
For the Year Ended 31 August 2025

Review of value for money

As accounting officer, the Chief Executive Officer has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Appointing a full time CFO who will drive efficiencies in procurement across all the schools
- Deploying central team staff to provide short-term finance support to schools
- Reviewing the assessment software in use across all schools which will allow for more effective reporting and collating of information across the MAT.
- Providing Trust wide training, such as the annual INSET day, reducing the per head cost of training and increasing the opportunities for collaboration Trust wide.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Chancery Multi Academy Trust for the year to 31 August 2025 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks, that has been in place for the year 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

Governance Statement

For the Year Ended 31 August 2025

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- regular reviews by the Finance and Audit Committee of reports which indicate financial performance against forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ Hardings Chartered Accountants as internal auditor.

The internal auditors' role includes giving advice on financial and other matters and performing a range of checks on the academy trust's financial systems and other systems. In particular the checks carried out in the current period included:

- Payroll checks on the academy schools' payroll systems and personnel files
- Purchasing checks on the trust's purchasing procedures in its academy schools and the Trust
- Income checks on the trust's income procedures in its academy schools and the Trust
- Accounting system checks on academy schools and the trust's control accounts and bank reconciliations
- Nonfinancial system checks on the "Musts" in the Academy Trust Handbook

On a bi-annual basis, the internal auditor reports to the Board of Trustees through the Finance and Audit committee on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities and annually prepares a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

The board of trustees confirm that Hardings Chartered Accountants has delivered their schedule of work as planned during the financial year ending 31 August 2025 and detailed reports including recommendations.

Governance Statement
For the Year Ended 31 August 2025

Review of effectiveness

As Accounting Officer, the CEO has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.
- the work of the external auditors.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Audit Committee and a plan to address weaknesses and to ensure continuous improvement of the system is in place.

Conclusion

Based on the advice of the Finance and Audit Committee and the Accounting Officer, the Board of Trustees is of the opinion that the Academy Trust has an adequate and effective framework for governance, risk management and control.

Statement of Regularity, Propriety and Compliance
For the Year Ended 31 August 2025

As Accounting Officer of Chancery Multi Academy Trust, I confirm that I have had due regard to the framework of authorities governing regularity, propriety and compliance, including the trust's funding agreement with DfE, and the requirements of the Academy Trust Handbook, including responsibilities for estates safety and management. I have also considered my responsibility to notify the academy trust board of trustees and DfE of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management.

I confirm that I, and the board of trustees are able to identify any material irregular or improper use of all funds by the academy trust, or material non-compliance with the framework of authorities.

I confirm that no instances of material irregularity, impropriety or non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and DfE.

Statement of Trustees' Responsibilities
For the Year Ended 31 August 2025

The trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Department for Education, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law, the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025
- make judgments and accounting estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom

Independent Auditor's Report on the Financial Statements to the Members of Chancery Multi Academy Trust

Opinion

We have audited the financial statements of Chancery Multi Academy Trust for the year ended 31 August 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards, including Financial Reporting Standard 102 'the Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education (DfE).

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2025 and of its incoming resources and application of resources, including its income and expenditure for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and Academies Accounts Direction 2024 to 2025.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trust's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Independent Auditor's Report on the Financial Statements to the Members of Chancery Multi Academy Trust

Our responsibilities and the responsibilities of the Governing Body with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report, but does not include the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- The Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters prescribed by the Companies Act 2006 which requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- all the information and explanations required for the audit were not received.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Independent Auditor's Report on the Financial Statements to the Members of Chancery Multi Academy Trust

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities set out in the trustee's annual report, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board of Trustees determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Trustees is responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Trustees either intends to liquidate the Academy Trust or to cease operations, or has no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The audit procedures designed to identify irregularities included:

- enquiry of management and those charged with governance around actual and potential litigation and claims
- enquiry of Academy Trust staff with responsibilities for compliance matters to identify any instances of non-compliance with laws and regulations
- reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations
- auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Independent Auditor's Report on the Financial Statements to the Members of Chancery Multi Academy Trust

There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, intentional misrepresentations or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Members, as a body, those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and the Members, as a body, for our audit work, for this report, or for the opinions we have formed.

Independent Reporting Accountant's Assurance Report on Regularity to Chancery Multi Academy Trust and the Secretary of State for Education

In accordance with the terms of our engagement letter and further to the requirements of the Department of Education (DfE), as included in the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts, we have carried out an engagement to obtain limited assurance about whether anything has come to our attention that would suggest, in all material respects, the expenditure disbursed and income received by Chancery Multi Academy Trust during the period 1 September 2024 to 31 August 2025 have not been applied to the purposes intended by Parliament and that the financial transactions do not conform to the authorities which govern them.

This report is made solely to Chancery Multi Academy Trust and the Secretary of State for Education in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Chancery Multi Academy Trust and the Secretary of State for Education those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Chancery Multi Academy Trust and the Secretary of State for Education, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of the accounting officer of Chancery Multi Academy Trust and the reporting accountant

The Accounting Officer is responsible, under the requirements of Chancery Multi Academy Trust's funding agreement with the Secretary of State for Education and the Academy Trust Handbook for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2024 to 31 August 2025 have not been applied for the purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by DfE, which requires a limited assurance engagement as set out in our engagement letter.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Independent Reporting Accountant's Assurance Report on Regularity to Chancery Multi Academy Trust and the Secretary of State for Education

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- review of arrangements in place over financial management; and
- review of the Trust's expenditure during the year.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2024 to 31 August 2025 has not been applied for the purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies

Chancery Multi Academy Trust is a charitable company, incorporated in England and Wales. The address of the principal place of business is given on page 1 and the nature of its operations are set out in the Trustees' report.

A summary of the principal accounting policies adopted (which have been applied consistently except where noted), judgements and key sources of estimation uncertainty, is set out below.

Basis of Preparation

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2024 to 2025 issued by DfE, the Charities Act 2011 and the Companies Act 2006.

Going Concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that Chancery Multi Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they adopt the going concern basis of accounting in preparing the financial statements.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention as modified by the use of previous valuations as deemed cost at transition for certain non-current assets.

Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies (continued)

Grants
Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant (GAG) is recognised in full in the Statement of Financial Activities in the period for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship Income
Sponsorship income provided to the Academy Trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations
Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Investment Income
All income from short term deposit accounts is credited to the Statement of Financial Activities in the period in which it is earned on a receivable basis.

Other Income
Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy Trust has provided the goods or services.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies (continued)

Donated goods, facilities and services
Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets (excluding Transfers on conversion/into the Academy Trust)
Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies.

Expenditure
Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on Raising Funds
This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities, events and non-charitable trading.

Charitable Activities
These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT, where applicable.

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies (continued)

Tangible Fixed Assets
Assets costing £2,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Freehold property	– 50 years
Long-term leasehold property	– 125 years, 50 years and 33 years
Furniture and equipment	– 4 years
Computer equipment	– 3 years
Property improvements	– 15 years

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Subsequent expenditure on existing fixed assets
Where significant expenditure is incurred on tangible fixed assets after initial purchase it is charged to the statement of financial activities in the period it is incurred unless it increases the future benefits to the Trust, in which case it is capitalised and depreciated on the relevant basis.

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies (continued)

Short term employment benefits

Short term employment benefits such as salaries and compensated absences (holiday pay) are recognised as an expense in the year in which the employees render service to the Academy Trust. Any unused benefits are accrued and measured as the additional amount the Academy Trust expects to pay as a result of the unused entitlement.

Cash and cash equivalents

Cash includes cash in hand, deposits repayable on demand and overdrafts. Deposits are repayable on demand if they are in practice available within 24 hours without penalty.

Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash with insignificant risk of change in value. An investment qualifies as a cash equivalent when it has a maturity of 3 months or less from the date of acquisition.

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

Leased Assets

Rentals under operating leases are charged on a straight line basis over the lease term.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies (continued)

Financial Instruments
The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement basis are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Taxation
The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pensions Benefits
Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies (continued)

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments.

They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Fund Accounting
Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education (DfE).

Critical accounting estimates and areas of judgement
Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

1. Accounting policies (continued)

Critical accounting estimates and assumptions

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Local Government Pension Scheme (LGPS)

The present value of the Local Government Pension Scheme defined benefit asset or liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension asset/liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions asset/liability at 31 August 2025. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension asset/liability.

Critical areas of judgement

Leasehold land and buildings

Under 125-year lease:

The long-term leasehold land and buildings within the accounts relates to the Berkeley Academy, Elworth Primary School and Willaston Primary School premises which were transferred to the Trust on a 125 year lease with Cheshire East Borough Council. The leasehold land and buildings were valued using the carrying value on the date of transfer. These are being depreciated in accordance with the depreciation policies. No annual charge is made for the use of the land and buildings under the terms of the lease, based on management not being able to reliably measure the open market rate.

Agency staff costs	99,359	50,087
Staff restructuring costs	8,670	-
Total staff costs	**6,661,645**	**6,327,759**

Staff restructuring costs comprise:

Redundancy payments	-	-
Severance payments	8,670	-
	8,670	**-**

b. Severance payments

The academy trust paid 1 severance payment in the year, disclosed in the following bands:

£0 - £25,000	1
£25,001 - £50,000	0
£50,001 - £100,000	0
£100,001 - £150,000	0
£150,000 +	0

c. Special staff severance payments

Included in staff restructuring costs is one special severance payment of £5,091 (2024: £nil).

Notes to the accounts
For the Year Ended 31 August 2025

8. Staff (continued)

d. Staff numbers

The average number of persons employed by the Academy Trust during the period was:

	2025 No	2024 No
Teachers	70	69
Administration and support	127	131
Management	7	7
	204	**207**

e. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2025 No	2024 No
£60,001 to £70,000	1	1
£70,001 to £80,000	3	3
£90,001 to £100,000	-	1
£100,001 to £110,000	1	-

f. Key management personnel

Key management personnel of the Academy Trust comprise the trustees and the senior leadership team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy Trust was £688,993 (2024: £640,743).

9. Central services

The Academy Trust has provided the following central services to it academies during the year:

- Finance package
- Budgeting tool
- Auditors
- HR and employment law
- Payroll
- Core coaching package
- MAT advisory service
- Leadership school to school improvement network
- 80% of CFO salary

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

9. Central services (continued)

- 100% of CEO salary
- 10% of Training and Development lead salary

The academy trust charges for these services on the following basis:

- Flat rate 5.0% of GAG income

The actual amounts charged during the year were as follows:

	2025	2024
	£	£
Excalibur Primary School	50,019	47,814
Pikemere School	48,714	47,519
The Berkeley Primary School	90,125	90,082
Willaston Primary School	50,249	49,336
Elworth Hall Primary School	48,425	48,058
	287,532	**282,809**

10. Related party transactions – Trustees' remuneration and expenses

One trustee has been paid remuneration or has received other benefits from employment with the Academy Trust. The Chief Executive Officer only receives remuneration in respect of services provided undertaking the roles of Chief Executive Officer of Chancery Multi Academy Trust, under a contract of employment.

The value of trustees' remuneration and other benefits was as follows:

S L Gohr (Chief Executive Officer, Accounting Officer)

		Annual equivalent
Remuneration	£100,000 - 105,000	(2024) £95,000 - £100,000
Employer's pension contributions paid	£25,000 - £30,000	(2024) £25,000 - £30,000

During the year ended 31 August 2025, no Trustee expenses have been incurred (2024: £0).

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

11. Trustees and Officers' Insurance

In accordance with normal commercial practice the Academy Trust has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business. The insurance provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

The Academy Trust is not subject to GAG carried forward limits.

The specific purposes for which the funds are to be applied are as follows:

Restricted general funds – this fund represents grant received for the academy trust's operational activities and development, restricted trip income and other restricted income.

Restricted fixed asset funds – this fund represents grant funding received from the DfE to carry out works of a capital nature and also the donation of the freehold land and buildings from the local authority.

Unrestricted funds – this fund represents those resources which may be used towards meeting any of the charitable objectives of the trust at the discretion of the trustees.

24. Analysis of changes in net debt

	At 1 September 2024	Cash flows	At 31 August 2025
	£	£	£
Cash	1,468,443	141,542	1,609,985
Cash equivalents	-	-	-
	1,468,443	**141,542**	**1,609,985**
Loans falling due within one year	(29,286)	(11,317)	(40,603)
Loans falling due after more than one year	(265,303)	15,493	(249,810)
Total	**1,173,854**	**145,718**	**1,319,572**

25. Members liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

26. Pension and similar obligations

The Academy Trust's employees belong to two principal pension schemes: The Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by the Greater Manchester Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020 and of the LGPS 31 March 2022.

Contributions amounting to £127,238 were payable to the schemes at 31 August 2025 (2024: £131,726) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

Docusign Envelope ID: 27BD224D-C7AC-49A6-B620-1AA26FE9BD5D

Notes to the accounts
For the Year Ended 31 August 2025

26. Pension and similar obligations (continued)

The TPS is an unfunded scheme to which both the member and employer makes contributions as a percentage of salary –these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- employer contribution rates set at 28.68% of pensionable pay (including a 0.08% administration levy). This is an increase of 5% in employer contributions and the cost control result is such that no change in member benefits is needed.
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

The result of this valuation will be implemented from 1 April 2024. The next valuation result is due to be implemented from 1 April 2027.

The total employer pension costs paid to TPS in the year amounted to £747,167 (2024: £687,965).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website. (https://www.teacherspensions.co.uk/news/employers/2023/10/valuation-result.aspx)

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust is unable to identify its share of the underlying assets and liabilities of the plan. Accordingly, the academy trust has taken advantage of the exemption under FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above, the information available on the scheme.

Notes to the accounts
For the Year Ended 31 August 2025

26. Pension and similar obligations (continued)

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2025 was £567,000 (2024 £563,000), of which employer's contributions totalled £444,000 (2024 £445,000) and employees' contributions totalled £123,000 (2024 £118,000). The agreed employer contribution rates for future years are between 18.72% and 25.02% for employers and for employees range from 5.5% to 12.5% depending on salary.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of an Academy Trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

Principal Actuarial Assumptions

	At 31 August 2025 %	At 31 August 2024 %
Rate of increase in salaries	3.40	3.35
Future pensions increases	2.70	2.65
Discount rate for scheme liabilities	6.10	5.00

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	At 31 August 2025 Years	At 31 August 2024 Years
Retiring today		
Males	20.6	20.3
Females	24.4	24.4
Retiring in 20 years		
Males	21.9	21.7
Females	25.7	25.6

27. Related Party Transactions

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

Chief Executive Officer, S Gohr, is the sister of C Fowler, an employee of the Trust. C Fowler is paid within the normal pay scale for her role, she receives no special treatment as a result of her relationship to the CEO.

No other related party transactions took place in the period of account.
